Our office is full of giant, blown-up posters of classic Paul Raymond magazine covers. Downstairs, if you turn one way, you're into our photo studio, where girls galore romp with nowt on. If you turn the other way, they're making a sexy serial killer movie, where girls galore romp with nowt on. Do we get jaded? Do we fuck. The fact that we can't make a coffee without an eyeful of bum or boob just hones our skills further. One lump or two?

Dear Club,
House parties are just for boring posh people – or so I thought until a few weeks ago. An old friend from school had got engaged and decided to have a small weekend party at her parents' house in the country to celebrate. I was a bit nervous about going, as I hadn't seen her for a few years and was quite surprised to be invited – our social circles are a little bit different these days!

My heart sank when I turned up at the station: a large bunch of Charlies, Ruperts and Henriettas awaited me, all turned out in blazers, chinos, twinsets and pearls. My own over-tight T-shirt and jeans suddenly seemed a bit shabby. The embarrassment continued all the way down, as the braying on the train about Henley, Ascot and Wimbledon reached fever pitch. Still, I couldn't help noticing that some of the lads weren't bad looking. And, I imagined, years of good breeding should ensure a reasonable cock size.

Once we'd arrived, though, I started to feel more comfortable – something to do with the large glass of champagne that was thrust into my hand, no doubt. It was certainly the good life – booze on tap, delicious food cooked by lackeys and then after dinner the inevitable party games. Then a few people started to drift off to bed – the couple-to-be and two or three other marrieds, leaving only the single set left – about six of us.

More wine was produced from somewhere and we all settled in for what I presumed would be a long night of smoking, drinking and talking. But something had changed in the atmosphere. I noticed a couple of the boys winking at each and soon someone suggested a game of strip poker. Unfortunately for me it was quite hot and I really wasn't wearing that much. Sure enough, a couple of rounds later, and I was sat on the floor in my bra and knickers. Luckily, some of the blokes were soon stripped to their boxers and I didn't feel so awkward, even when one of them (I think it was Charlie) moved slightly closer to me.

One more disastrous round later, and it was time for me to remove my bra. I was so embarrassed at the thought of all these strangers seeing my tits that I refused at first – until Charlie reached round to my back and unhooked it himself. But he didn't stop there. His hands slipped round my breasts and gently squeezed my exposed nipples. So much for midnight corridor creeping: it looked like this lot had something completely different in mind. I wanted to slap his hands away and storm off to bed but something in me made me stay. I don't know whether it was the thrill of naughtiness I had felt as he touched my breasts or the fact that I had already noticed his prick swelling in his shorts.

The others had put down their cards and were watching with half-leering, half-excited faces. Then one of the girls leaned forward and eased off my knickers, making sure her fingers slipped inside me at the same time. I was surprised at how easily she slid them in and realised that my pussy must be sopping wet. While Charlie continued feeling my tits, she bent down and started to lap her tongue

DESERVING DANI!

Dear Club,
Nice to see Danielle Maye crowned as Girl of the Year. I voted for her, and for the other top two (although I had them the other way round). What are the chances of seeing them all together in a threesome? What a way to crown a glorious year of girls that would be…
Pete, Woolwich

Yes, she's a deserving winner, and we have more photoshoots of Dani in the bag and lined up for the future? As for a threesome – well, never say never but with Anneli in Sweden and Natasha currently seeking her fortune in a TV career, it might prove logistically tricky. We'll give it the old Club try, however

BLASTS FROM THE PAST!

Dear Club,
I demand a recount! Not one of the girls I voted for made the top three *Club* girls list, and I don't believe the ones you had in the list were really voted for by *Club* readers. What a rip-off.
Gordon, Bucks

Ah yes, Gordon. Thanks for your letter. We think you got the wrong end of the stick. It's Girls of the Year – meaning the last 12 months. Your votes were all for girls from the mid 80's to early 90's. Lovely, girls, no doubt about it. But Lucy, Ginny and Carla, while classic Club girls we grew up on, aren't in the running…

against my clit. By now a couple of the other guys had their cocks out and were masturbating in front of me. I felt so helpless just lying there, just a plaything, but at the same time I didn't want it to stop. In fact, I was desperate for one of them to ease his hard shaft into my pussy while everyone else watched. But it was Charlie who wanted to go first.

Two of the others took over where he had left off, licking at my breasts, pinning me to the floor. He kneeled in front of me, his huge dick hard and erect. I spread my legs wide so he could see my whole cunt in front of him. Then he was fucking me, pulling me up till my legs were wrapped round his waist so he could thrust into me harder. I felt like I'd never been screwed so hard before and was begging for more. To stop me waking the rest of the house up one of the others forced his rigid cock in my mouth. So now I was being fucked twice and just the thought of having all that cum in my pussy and all over my face was too much. My orgasm spread through my body, my groans muffled by the shaft I was still sucking on.

The boys shot their load at the same time, spreading their cream all over my body. But somehow I got the feeling that the evening wasn't going to end there – in fact, I was in for a whole weekend of pleasure!

Club's ROUGH GUIDE

May is the month when football sorts out its winners and losers, a time when fans experience dramatic highs, desperate lows, and if you're an Everton or a Fulham fan, the usual middles. For once, Matt Loxham looks at some ups and downs that don't involve his burgeoning collection of hardcore porn movies...

Domestic Football Round-Up

Various Venues Throughout May

The race for the Premier League title has been more like a procession this season, with Manchester United well out ahead of the rest in the quest for domestic glory. Indeed, United manager Alex Ferguson would have to borrow the Hubble telescope in order to spot local rivals Manchester City way back somewhere in second place. For Fergie and co it's the perfect response to last season's gut-wrenching finale, when City dramatically pipped United to the championship with pretty much the last kick of the campaign, a timely reminder that consistency is everything if you don't want to be a flash in the pan.

While the Manchester powerhouses are sat pretty in first and second, behind them the situation isn't quite so sorted, where the capital's top trio, Arsenal, Chelsea and Spurs, are locked in a battle for those final two all-important Champions League qualifying spots. More than just London pride is at stake here – if Spurs can claim a place at the biggest club football tournament on the planet expect a major overhaul at the team who misses out. Arsene Wenger and Rafa Benitez might want to check out the address of their local job centre, you know, just in case...

At the foot of the table, perennial yo-yo clubs QPR and Reading look set for the drop. No surprises there then. As Alan Hansen may or may not have said on *Match of the Day* last Saturday, these two teams are 'up and down like a bride's nightie'.

How Wigan manage to cobble together some survival form after looking doomed every season is beyond me. Can they escape again at the expense of Sunderland or Aston Villa just above them? Similar miracles have been performed in the past, and the pie-eating, pie-munching, pieheads host Villa on the very last day of the season in what could be a pulsating battle for Premier League status.

North of the border things are looking a little more clear-cut. In the absence of rivals Rangers – who, incidentally, sit about a zillion points clear at the top of lowly Scottish Division Three in their long road back to top-flight football – Celtic are predictably ruling the roost.

Manager Neil Lennon would need to borrow the Hubble telescope from Alex Ferguson in order to see Motherwell way back somewhere in second place. In fact, Celtic could take their summer holiday now, let some fans fill in for a few games, and still pick up the Scottish Premier League trophy on their return. Honourable mention should go to Highlands outfit Inverness 'Caley' Thistle, who with Terry 'Bandage-Head' Butcher at the helm look poised to qualify for the Europa League next season.

At the other end of the table, Dundee sit so far adrift that manager John Brown would need to cop a lend of the Hubble telescope to (Okay okay, we get the idea – Ed).

European Football Round-up

Various Venues Throughout May

British clubs have struggled on the continent this season, sparking concerns that as leagues in other countries such as Germany and Russia really begin to flourish, standards on these shores are starting to stagnate. After Chelsea temporarily glossed over the obvious footballing frailties of the Premier League by somehow managing to fluke their way to Champions' League glory in 2012, many of our very best sides have been ruthlessly exposed by Europe's finest and

not-so-obviously-finest in 2013.

Manchester City, supposedly the best team in England at the time, didn't manage a single win in six Champions' League group matches, and Arsenal were outgunned by Schalke 04 – decent, but hardly a soccering superpower – in the group stages, and then outplayed by Bayern Munich over two legs in the last 16. Holders Chelsea were subjected to a surprise Shak-attack by Ukranian side Donetsk and found themselves unceremoniously dumped into the Europa League. Celtic conjured up the shock of the tournament when they edged out Barcelona in their group match in Glasgow, but ultimately flopped like a punctured bagpipe against Juventus.

Only Manchester United can be said to have done themselves justice in the Champions' League this season, and who knows what might have happened if they hadn't been robbed by a travesty of a refereeing decision when Nani was sent off in an at-that-point delicately-poised second leg against Real Madrid at Old Trafford? Well I say it was a travesty, but if Roy Keane asks then I reckon it was probably about fair.

At the time of writing the sporting world was in rapture at the prospect of an 'El Clasico' final at Wembley, the media salivating at the thought of Real and Barcelona, Ronaldo and Messi, tic-taccing across the hallowed turf like a footballing fantasy come true. Only a couple of pesky German teams, Borussia Dortmund and Bayern Munich, were standing in the way of this dream clash, and knowing the Germans they'll go and stick a sausage in the works [stop the press!].

Saying that, after last year's mugging in the final at the hands of Chelsea, you could argue that Munich deserve to lift the trophy in 2013. I probably wouldn't, but you *could* argue that.

> **"Knowing the Germans they'll go and stick a sausage in the works of the 'el clasico' dream clash of Barcelona and Real Madrid"**

Exciting permutations abound, but a word to the wise – Barcelona have won the last two Champions' League finals held at Wembley, the most recent in 2011, and as we all know – good things tend to come in threes. El Clasico? I'll settle for a classic. [Again – stop the press!]

For those not quite talented enough to mix it with the best there's always the Europa League, a sprawling also-ran type competition featuring about 200 qualifying groups and many more teams that you've probably never heard of such as Videoton, Neftchi and Hapoel Schmona, who Michael Jackson could've supported were he alive to do so. But I digress.

You might be fooled into thinking that the better British sides could coast into the final rounds of such an apparently second-rate tournament, but not so. Oh no. St Johnstone of the Scottish Premier League lost in the qualifying round to a team that I can neither pronounce nor spell, Liverpool fell to Zenit St. Petersburg in the last 32, Newcastle were toppled by Benfica in the quarters, where Spurs also crashed out – to FC Basle of Switzerland. At the time of writing only Champions' League dropouts Chelsea remained to defend the Blighty's flagging reputation after squeaking past those giants of European football Rubin Kazan of Russia.

Whether the British clubs are genuinely slipping behind their improving European counterparts or if our expectations are simply too high still remains to be seen. Maybe it's a bit of both. One thing's for sure, it might be a while before people are bollocking on about the Premier League being the best in the world once more. ♣

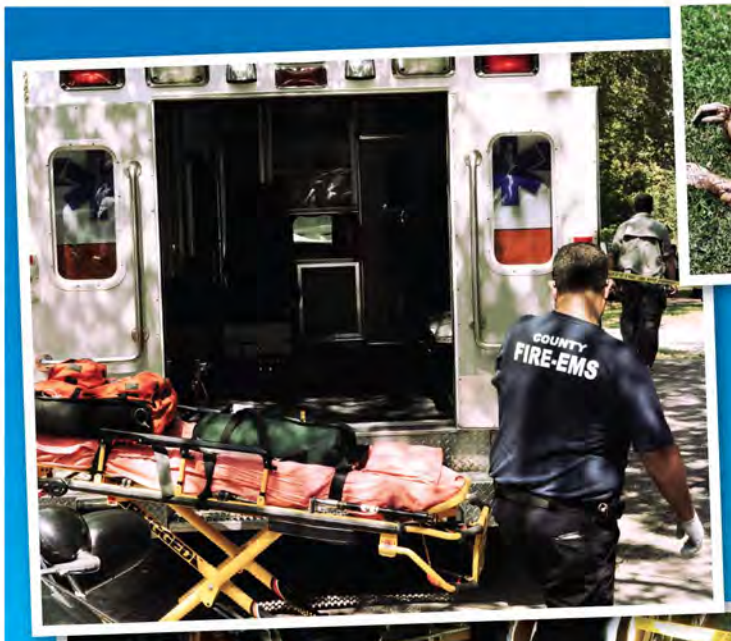
RATINGS: ★ MICHAEL BAY ★★ BAY CITY ROLLERS ★★★ THE BAY ★★★★ BAY AREA HIP-HOP ★★★★★ DOCK OF THE BAY



The Bay

(Momentum Pictures, Blu-ray £9.83)

Rain Man, *Good Morning Vietnam* and *Sleepers* echo in our minds as directorial formats used by Barry Levinson, so whatever you're thinking, lay it to one side as *The Bay* startles us with a foray into the realms of eco-disaster movie.

Novice journalist Donna (Kether Donohue) compiles an expose´ of a cover up in Chesapeake, Maryland. Gathering mobile footage, CCTV, news and Skype calls, Donna sets about discovering the true scale of the plague that swept through the town and its subsequent suppression by the authorities. With 4th of July celebrations under way, rashes start appearing on our euphoric cavorters, escalating in intensity, turning into lesions that result in agony and a gruesome death. As the condition spreads the hospital is quickly overwhelmed and, of course, Disease Control seems completely perplexed by the whole matter.

The Bay has to deal with the fact that found footage horror has left the film industry drowning in its overuse. However, it uses a comprehensive montage from various audio and visual sources, producing an original and engaging angle. You can almost taste the salty air and not a snotty nose shot in sight! There are psychological hues to *The Bay* as the central theme of ecological disaster is a perceivable reality, striking a tangible chord of fear. ★★★★

Army Of Shadows

(studiocanal, DVD £9.29 Blu-ray £15.71)

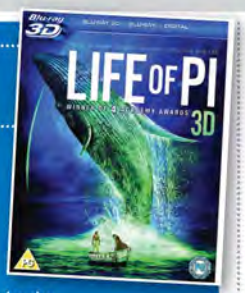
Perhaps not as high profile as the same director's *Le Samourai* or *Le Cercle Rouge*, for our money this is Jean-Pierre Melville's finest, most heartfelt movie. It's a tale about the French resistance in World War Two, and packs a visceral punch in its honesty. Paul Meurisse, Simone Signoret and the rest of cast do exemplary work in a film that lacks bombast. Extras are superb, if not up to the US Criterion standard. ★★★★

Justified Season Two

(Sony Pictures Home Ent., DVD £14.25)

While all four seasons of *Justified* have been excellent and enjoyable, season two is widely regarded as its highpoint. Timothy Olyphant is marvellous as Deputy US Marshal Raylan Givens, a good guy but an arsehole, a cop with an itchy trigger finger. In the badlands of Harlan he runs up against the Bennett clan, with Mags Bennett a baddie for the ages, while Boyd Crowder (the peerless Walton Goggins) machinates in the background. The dialogue zings, the bit parts make their mark. It's up there with *Breaking Bad* and *Mad Men* as the best thing on TV. ★★★★★

Life of Pi
(20th Century Fox, DVD £10 Blu-ray 3D £20)



Ang Lee does a brilliant job of adapting Yann Martel's 'unadaptable' (and overrated) novel in a film that doesn't have the depths many ascribe to it, but is a visual treat with standout performances. In 3D, the ocean is alive, the tiger Richard Parker a wonder of CG. In 2D, it still looks spiffing. Newcomer Suraj Sharma does a great job acting with all this bluescreen, and the ending will make this film linger. ★★★★

Sightseers
(studiocanal, DVD £14.00, Blu-ray £14.21)

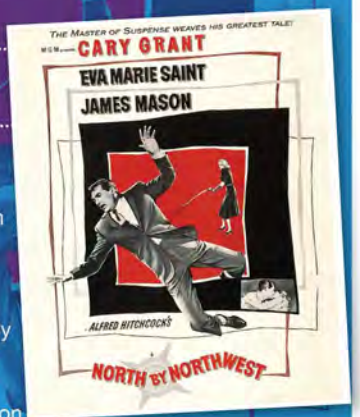
Fresh off the brilliant *Kill List*, Ben Wheatley directs Alice Lowe and Steve Oram in another dark and wholly British outing. As Chris and Tina they tour the less celebrated side of tourist England – the Keswick Pencil Museum, for example – leaving chaos and carnage in their wake. A true original. ★★★★

The Hobbit
(Warner Home Video, DVD £9.99, Blu-ray £14.99 Blu-ray 3D £15.99)

While it has its faults – it takes an age to get going and there's too much singing – the first part of *The Hobbit* trilogy does a lot right. Martin Freeman is superb casting as young Bilbo, while the elves make for a merry bunch. Set-pieces – the duff opener aside – are well-handled and spectacular, while Gollum is always welcome. And on we go... ★★★★

Classic Corner

North By Northwest
(Warner Home Video, Blu-ray £17.99)



Cary Grant does suave under pressure better than any man that ever lived, and as Roger Thornhill in Hitchcock's timeless classic, that's exactly what he's called on to do. It's a mistaken identity thriller, but packed with scenes burned indelibly into movie history. The crop duster, Mount Rushmore, the auction. Eve Marie Saint smoulders, James Mason rumbles. In Blu-ray, the picture sings. Amazing. ★★★★★

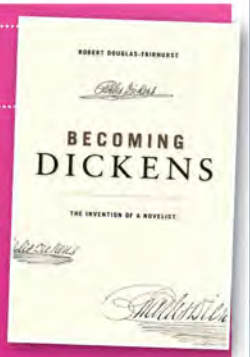
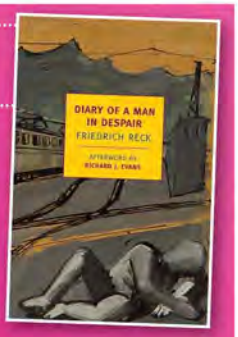
Becoming Dickens
Robert Douglas-Fairhurst (HUP, £14.00)



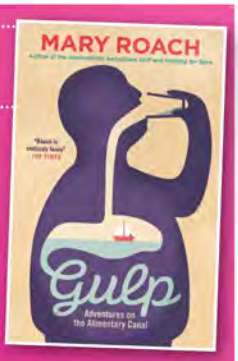
2012 saw a glut of Dickens books, marking the bicentenary of his birth. This sticks its head out of the pack. Douglas-Fairhurst focuses on the 1830's as Dickens attempts to discover exactly what kind of writer he'll be, shrugging off his past and striking out. He illuminates this time with close and sensitive reading of the key Dickens texts, bringing the man to life through his works. A must for Dickens enthusiasts.

Diary of a Man in Despair
Friedrich Reck (NYRB Classics, £9.99)



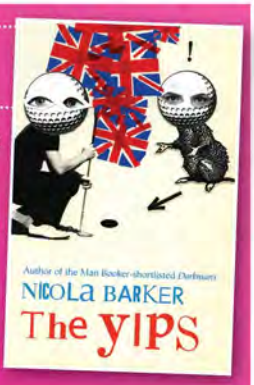
When you know that Friedrich Reck was sent to Dachau and shot in the back of the neck for having the temerity to write a letter to the authorities about monetary inflation, you can guess the depths of his feelings and disgust toward the Nazi regime. In many ways he's an unlikely anti-Nazi – conservative, landed – but this howl of a book is a justly celebrated snapshot into life inside Germany under Hitler.

Gulp
Mary Roach (Oneworld Publications, £11.99)



Mary Roach's exploration of what goes on inside us is not for the weak of stomach. It takes us on a fantastic voyage to our very bowels. It's popular science at its best – intriguing, revealing, funny, and packed with anecdotes you'll want to trot out to fascinated/disgusted friends in the pub. Did Elvis die of constipation? What happens inside competitive eaters? Roach delves inside the truth.

The Yips
Nicola Barker (Fourth Estate £8.99)



Nicola Barker's latest has divided readers, but for us it's a triumph. We're with fading golfer Stuart Ransom at the Thistle Hotel as he sets the world to rights, but that doesn't do justice to a book that bristles with imagination and brio. It roams like Dickens – or Hogarth – and occasionally to far, but Barker knows what she wants to do, and if you go along with her for the ride, you'll enjoy it immensely. ♣

Sony Xperia Tablet Z

www.sony.co.uk

The tablet game gets more competitive by the week, and while you can make a compelling argument for the screen and sleekness of the iPad series, you'd have to be a blinkered Apple loyalist to not realise there's competition out there. New on the market is the Xperia Tablet Z, with Sony having learned some lessons from previous tablet ventures. This one is incredibly light and slim, with a lovely scratchproof screen, 8mp back camera and an upgrade to Android Jellybean in the works. And the USP? The ports cover up so this is dunkable – up to 30 minutes in 3 feet of water, which is nice if you want to use it in the bath. You silly sod.
Pros: Light to hold, waterproof.
Cons: Priced similarly to iPads.

Dropping at the end of 2012, this home cinema system picked up plenty of awards. The price has dropped a bit since, making it a no-brainer for those who went affordable home cinema that packs a real wallop. It looks sleek (a bit like a PS3) and delivers a 5.1 speaker system, a 3D capable Blu-ray player and plenty of internet features such as catch-up from iPlayer and the Lovefilm app. Two HDMI inputs, iPod docking, satellite speakers that sit on stands or wall-mount – all these features in this nice-looking a package doesn't usually come this cheap. In fact, you'd be expecting to pay nearly twice as much.
Pros: RRP is £450, but can be picked up for a ton less, which is amazing.
Cons: Set-up and calibration can be a bit finickety. ♣

Pioneer DDJ WeGo

www.pioneer.co.uk

Greying DJ's with their dusty vinyl collections will be getting ready to turn in the graves they'll soon be in when they get a load of this. But then again, if you're a teenager or young adult learning to DJ, you'd be a bit of a mug to go down the two turntables and a mixer route. The DDJ WeGo is a (badly named) fun and accessible way to mix, scratch and DJ with mp3's, a lot simpler than a laptop and Serato, but also not as featured. It can feel a little plasticky and cheap, but at this price that's to be expected. It does have plenty of features for the buck, and it's worth getting just to rile the old men.
Pros: Great price, fun, ease of use.
Cons: Layout cramped, no gain controls.

Time was when glamour girls were enormously sniffy about going hardcore, but we're glad to say that those days are behind us. Why? Maybe because these girls have probably already made a bunch of homemade pornos with their boyfs/girlfs and an iPhone. But Tommie Jo getting hardcore is a rarity, and she's the main attraction among a smattering of top shelf talent and a couple of cock-hungry imports like Sensual Jane and Jasmine Black. That said, there are some fucking red hot girls with ink and piercings in this effort from David Lord, Juelz Ventura putting her hard body on the line in the opener with pounding anal. Don't ask us why we stuck Sasha in a room full of balloons, we couldn't tell you. It wasn't her birthday, it wasn't ours. It wasn't a party at all. WHAT'S SHE LIKE? She knows what she's got and she puts it to use!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
A friend of mine who'd done it before dared me. And once I saw how well the pics came out, I was into it!

WE LIKE THEM TOO. IT'D BE A CRIME TO KEEP THOSE BOOBS UNDER WRAPS!
I'll be honest, I rarely do. I'm always flashing them and I always go topless on holiday.

AND TURN A FEW HEADS...
That's the idea! No point having these and not exploiting them. I'm not a tease though. These boobs are the passport to my favourite thing in life – a big, hard cock shoved between them.

AH, WE WERE GOING TO ASK THE TITWANK QUESTION...
You don't need to. It's my trademark when it comes to sex. When I go for a night out, I always make sure there's a little bottle of baby oil in my handbag. I haven't gone home with unfucked tits in months! ♣

SPILT MILK!

I'm not one for showing my bed attire to the neighbours, however an enormous crash and a howl of anguish had me heading outside to see what had happened without considering what I was wearing on Saturday morning. I'd just set a wash going and was nursing a cup of coffee as I stepped out into the garden to see a rivulet of white running from the neighbour's garage into our shared drain.

"Everything OK?" I called, following the white rivulet to the open garage door. The neighbour's son, Adam, was desperately trying to recover the unbroken bottles from where he'd obviously knocked a crate of milk on the floor.

"Hello?" I called.

"Jesus," Adam cried, clutching his chest theatrically. "I thought you were Mum. She'll kill me when she sees this lot."

"What happened?" I asked, although the Lycra outfit and mountain bike told the tale.

"My handlebars caught the crate," Adam explained, "and boomf!" he added, throwing his arms apart for emphasis. I've got most of the glass up but it's still a mess… and don't say anything about crying over it," he said.

"The thought hadn't crossed my mind," I lied. Adam and I had grown-up together and he was used to me teasing him – even when he'd come back from university he'd always been 'little Adam' from next door. There was something sad and dejected about him.

"Are you OK?" I asked.

"Yeah, it's just that I'm going to miss the guys by the time I've cleared this lot up." It was a hint, and a pretty obvious one at that.

"Come on, I'll give you a hand," I said, putting my coffee down. It wasn't as bad as it looked and with my help he'd soon be off taking advantage of what was already a glorious sunny day. I concentrated really hard as I picked at the broken glass. Adam was squatting opposite me, and I had assumed he was similarly engaged. It slowly dawned on me that he wasn't. I was wearing my little dressing gown – with nothing underneath: no knickers, no bra and as I squatted down in my slippers, I was being mindful of the potential glass, rather than keeping my knees together. As I followed his gaze, I realised that Adam wasn't even looking at the floor as he squatted opposite me – he was looking between my legs and obviously getting an eyeful.

"Enjoying the view?" I asked sharply, as I stood up and gathered my dressing gown around me. I was annoyed that my goodwill had been abused by this dirty little pervert. How dare he look at my pussy?

"Actually, yes, I was." Adam was wearing a pair of black cycling shorts and they hid nothing as he stood up. Hearing the tone of his words, I looked down and could clearly see the full outline of Adam's erection. Once I'd spotted it, I couldn't stop looking – he was hard for me. I was mortified. "I didn't mean to look," he said, softening. "Here, I'll show you mine."

"No," I said, throwing my hands up to my face, but too late. Adam dropped the front of his shorts and his erection swung free. It was much bigger than I had expected, even having seen the outline in his shorts.

"I thought you guys shaved?" I asked.

"Only our legs," Adam said, maintaining his inappropriate display.

"Will you be able to cycle with… that?"

"No, probably not," Adam laughed. "I've never tried to be honest."

"Well the floor's already white if you want to… you know," I said, feeling a flush of excitement. It was Adam's turn to wear the look of surprise. He glanced out of the door and I held my breath as I realised that he was going to accept my challenge. He took hold of his cock and started stroking it. I noticed that he was blushing furiously, although I suspected it was from excitement rather than from embarrassment – he had seemed keen to show me his cock and play with it. Maybe he had a fetish about women watching him – or maybe he just liked me watching.

I realised that was going to wank to completion and it seemed like such a waste. "Is there anything I can do to help?" I asked. I had hoped that he would ask me to take over stroking duties but Adam had other ideas.

"You could open your gown," he suggested, shyly. My adrenaline surged. I checked the open garage door just as he had done and then untied my belt and opened the gown, revealing my naked body. Adam really had no idea how to respond. It was obvious that he hadn't believed I'd do it – that I'd refuse or maybe tease him. As his eyes roved up and down over my tits, pussy and legs, I wondered just how many girls Adam had seen naked – not many, I guessed by how flustered he looked.

I hopped up onto the workbench and spread my legs. "I've got somewhere you can stick that thing, if you want," I said. Adam looked down to where I had spread my pussy with my fingers and approached quickly as though expecting me to snap my thighs shut at any moment. The tip was peeping out at me from beneath the foreskin and I could see the sexy slit, leaking juices for me. He didn't know how much I wanted his cock inside me. I leant back and gently wrapped my hand around the shaft and guided it into me.

Adam froze. He took on the appearance of a statue, just looking down at where his cock was

> **"He started fucking me, drawing the shaft of his delicious cock in and out of my pussy"**

embedded inside my body. When he finally looked up, his face was filled with shocked innocence. "You've no idea how many times I've dreamed about doing this with you," he said. I groaned and our eyes locked. He leant forward and kissed me, swirling his tongue around the tip of mine. At the same time, he started fucking me, drawing the shaft of his delicious cock in and out of my juicy pussy. He started grunting with pleasure and began moving his cock in and out faster and faster. I hooked my legs around his bum and drew him in deeper. He really started to fuck me, building the pace into a sudden frenzy. He groaned and pulled out, shooting a series of thick white stripes up my belly and onto my tits. It went on and on – I was shocked by how much there was of it.

"Argh, fuck. That was amazing," Adam groaned. I was pretty amazed myself – too astonished at the amount of cum dripping down my body to be annoyed at being left high and dry on the orgasm front.

"I'll clean up if you want to go and meet your friends," I offered, not wanting to masturbate in front of my neighbour.

"Sod that," Adam said, eyeing my cum-covered body as he pointedly shoved his bike back into the garage. "I had intended going on a nice long ride this morning… but it looks like I'm not going to need my bike." Apparently I'm a much better ride than Adam's bike and he still had plenty of milk left which I helped him spill.

DIRTY DRINK

There's really nothing quite like having a large cock stuffed in your mouth. For me, not even being fucked quite equals the thrill of unzipping my boyfriend's flies and coming face to face with his massive, swollen dick. We've been together a couple of years now, and I still like to go down on him every day if I can. What makes it even better, however, is if we're doing it somewhere where maybe, just maybe, someone might see us.

The other day we were both in the pub celebrating a mate's birthday. I was feeling incredibly horny as I'd taken the day off work and had ended up flicking through my man's supply of porn mags. I'm not really attracted to women, but there's just something about all those pictures of dildos and wet pussies that really gets me going. In fact, I texted Alex before I got to the bar to tell him that I was pretty thirsty – and not just for beer!

Of course, there was nothing we could do about it for the first couple of hours as everyone was still sober and might have

noticed if we'd slipped off somewhere for twenty minutes. Instead, I had fun teasing my boyfriend with the thought of what was coming up. I'd worn an incredibly tight shirt that showed off my big tits to perfection – and gave him an eyeful every time I leant forward. And he knows me well enough by now to realise that I wasn't wearing any knickers under my tight denim skirt.

Gradually, everyone got more and more pissed, and certainly weren't about to notice that my foot was at that moment in Alex's lap massaging his rapidly stiffening prick. It got harder as I carried on, and I was conscious of my own nipples growing erect underneath my shirt. I figured Alex would last about another couple of minutes before making a dash for the men's loo, and I was right. Luckily, he was wearing a jumper which just about covered the enormous erection that I knew was about to burst out of his jeans.

Making my own excuses a minute or two later, I followed him into the gents. I slipped to the floor to see which cubicle he was in, suddenly aware that if anyone had walked in right then they would have seen me on all fours with my butt sticking right up in the air and a glistening pussy on display beneath my skirt. There he was, in the end one – and now it was his turn to be ready and waiting. His cock was already out of his trousers, and he was just standing there with a grin on his face, his hand moving up and down the thick, veiny shaft, a drop of pre-cum on the end.

"Do you want to suck it, baby?" he said,

> **"I was touching myself while I had a huge dick in my mouth and my finger in his arse"**

pushing me down onto my knees. My answer was to take it into my mouth until the tip of his penis touched the back of my throat, the taste of his pre-cum making me even hornier. I sucked deep, then licked the entire shaft before moving onto his heavy, jizz-filled balls.

All the time my fingers were moving closer and closer towards his arsehole. It was so wet there now from my saliva that once I'd found his anus I could just slip my finger right in. I heard a sharp intake of breath and looked up to see Alex's eyes had closed, his whole mind concentrated on the pleasure I was giving him. Meanwhile, my other hand had moved down to my sopping snatch, and I started to rub frantically at my clit, massively turned on by the feeling of touching myself while I had a huge dick in my mouth and a finger in my boyfriend's arse. Now, neither of us cared how much noise we were making: the only thing I wanted was Alex's thick, creamy load all over my face.

I could tell from his groans that he was fucking close, so I started to use my hands on his rigid cock as well, wanking him really hard and fast – just how he likes it – while I concentrated on his bell end. As I said, nothing makes me hotter than sucking him off, and I wasn't far off orgasm either. Alex was murmuring, "you dirty little bitch," and I knew from the twitching in his shaft that he was ready to go. He pulled his shaft out of my mouth as the cum started to spurt out all over me. He's always been a big jizzer, but with all the build up and anticipation this was one of his biggest loads yet, cascading over my face, my outstretched tongue and lips and even my eyes! I couldn't wait any longer, and even though he was still reeling I'd pushed him to his knees and thrust my twat in his face. Seconds later his mouth was full of my pussy foam and I was cumming too, letting him fuck me with his tongue. After I'd stopped quivering I licked his spunk from my lips and spent five minutes making myself decent. It's damn hard getting a thick load of cum out of your hair!

A few minutes later we were back in our seats, drinking with our mates again as if nothing had happened. But I still had the taste of his spunk in my mouth to remind me just how naughty I'd been.

UP FOR ANYTHING!

I've never really thought of myself as sexually adventurous, as I don't go looking for it. But with all my boyfriends I've pretty much been up for anything they had suggested! I knew that Mike's friends Lorraine and Callum were into a bit of partner swapping, and when we agreed to go away with them for the weekend, I suspected something would happen. I didn't have to wait long and, as I've

said, I'll go along with most things!

Lorraine arrived at dinner wearing what can only be described as underwear and a skirt, with a pair of spike heels that thrust her arse out as she walked. Mike, my boyfriend, made no attempt to conceal his excitement at this image, but still surprised me when he blurted out, "Lorraine looks fucking great tonight, Cal," who replied cheekily with, "She's still wearing a bit too much for my liking." Not knowing quite what to say, but rapidly realising that this situation had been planned, I decided to play along. I saucily added, "Yeah, I'm sure Mike wants to see more – he's already hard," and reached towards his lap as a joke. However, through his trousers I could tell that his dick was indeed erect already!

Looking him straight in the eyes, I caught a glimpse of his guilt and embarrassment, but I was warming to the situation and maintained my gaze as I slowly undid his trousers.

"Lorraine, look what you've done to my poor boyfriend's dick," I coyly stated as I pulled his boxers forward, allowing his rigid shaft to spring out. Glancing at Lorraine, I could see the delight in her eyes, which were fixed on Mike's crotch, as I curled my fingers around his length. "Are you going to come and sort this out, or am I going to have to do it?" I questioned, now beginning to feel aroused myself and enjoying the fact that I was leading the situation.

"You," she breathed back, now looking very serious and barely noticing that her own boyfriend was groping her tits through her camisole. Pushing the table to the side so she could see clearly and dragging my hair to the side of my face, I extended my tongue, and dragged it from the base of Mike's penis to the swollen end, which I then filled my cheek with. Lorraine was cradling Callum's head as he sucked attentively at her fleshy tits, and she'd exposed her pussy that she was stroking and gently cupping with the palm of her hand. The sight of this was inspiring me, and I was now down on my knees deep-throating cock like my life depended on it. I drove my head over his end and slurped my lips back up to reveal the tip, and then repeated the action over and over again.

I could taste the pre-cum as I began tossing his meat against my eager lips and tongue. Mike knew that this was the best blowjob I had ever given him and his dick pulsed uncontrollably, signalling that I was about to feel his appreciation. I took half his length into my mouth, and clamped my lips firmly in place. He literally exploded his load into my mouth and stood up to allow me to get the whole wad down my throat. I closed my eyes, unaware of what else was happening, and drank it down, feeling very happy with my performance.

On opening my eyes, I saw that Lorraine was now sat in Mark's seat, underneath him and cradling his balls that were tight from emptying themselves into me. Parting her legs and circling her fingers seductively over her clit, it was clear what she wanted, and I dutifully buried my face back down, still with the taste of jizz on my lips. The contrast of her soft lips was exquisite, and I swirled my tongue around her vagina and flicked it at her sensitive clit. She was already incredibly aroused and her arse was clenching, pushing her cunt upward into my mouth as I devoured her whole mound.

> **"I was wanking her boyfriend vigorously and he shot a huge wad of spunk over my face"**

Parting her lips wide, and taking long strokes with the flat of my tongue, I then sensed Callum to the side of me. His length was poking at the side of my cheek, as I lapped at his girlfriend, straining for me to take it in my mouth. I duly obliged and thrust my fingers inside Lorraine as I took my second cock and began to take it as deep as the first. Mike had recovered and inserted two fingers into my pussy from behind before guiding his prick into my soaking wet hole.

Meanwhile, I was taking mouthfuls of pussy and prick in equal measures. Sensing Lorraine's rising pleasure, I focused back on her, and brought her to a massive orgasm. She writhed with satisfaction beneath my mouth. I was still wanking her boyfriend vigorously and he shot a huge wad of spunk over my face and Lorraine's twat. My own orgasm had taken hold and, wildly, I turned my head to the side, taking the final spurts over my tongue, and then wantonly licking at the rest that had drenched Lorraine's mound.

To have satisfied three people and tasted all their pleasure was for that second the best sexual experience of my life. I say this, as I was then treated to the same thing. This time, the three of them repaid me – all at once!

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Like Paz de la Huerta last month, you don't have to be the Sherlock Holmes of celebrity nudity to track down examples of Kate Winslet's onscreen nudity. Stick a pin in any one of her films and chances are you'll see her boobs, bum or bush. Hell, if you can sit through the interminable *Titanic* (here's a spoiler: the ship sinks) you deserve to see her top twats as she reclines to be sketched. But there's more fun (and skin) in *Hideous Kinky*, *The Reader*, *Little Children* and *Iris*. Even when she's not nude, she's sexy, flashing her knickers in the brilliant *Eternal Sunlight of the Spotless Mind*. When it comes to homegrown horniness, you can't beat our Kate. But you can beat off to her... ♣

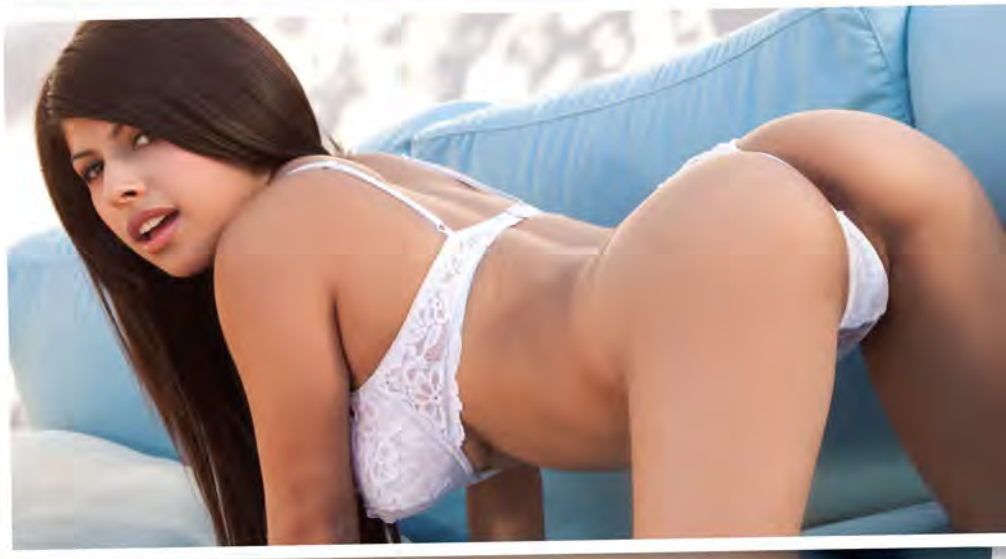
The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



THREE'S NOT A CROWD!

My best friend, Faye, comes across as a right little slut. I'm not exactly prudish myself, but she takes things to a whole different level. She's always saying things like, "The thought of having two men inside me at once makes me go all tingly." The thing is, I know Faye very well and know that most of what she says is just for show. In this case, she was simply trying to outdo me as I had admitted to wanting to try an array of new sexual positions – if only I could find a man to try them with. The difference between myself and Faye is that's she's all talk, whereas I'm all action.

"I really would like to try double penetration," she whispered to me as we headed home after a girly night out. I was looking forward to some action of my own with my new fella, Jason.

"Have you had a cock up your bum then?" I asked in the back of the taxi.

"No, but Matt used to stick his finger up my bum when he did me from behind, and I really liked that." The thought of my best friend taking a finger up her bum as her sexy ex fucked her was enough to make me go 'all tingly'.

I laughed. "Taking a cock back there is a bit different than someone just sticking a finger in."

Faye looked at me with a shocked expression. "You've had anal sex?" I shrugged as though it was no big deal – which it wasn't. Anal sex was something I'd always done, and enjoyed. "Have you done it with Jason?" she asked, all excited.

"Sex, yes – anal… not yet."

"Not yet? So you're going to let him?" she asked, incredulously.

"Yes, I suppose."

"You suppose? How big is he?" Faye always wanted to know the details of every cock I'd ever seen. Perhaps she felt as though she might be missing out.

"I don't know," I said. "I don't carry a tape measure around with me, you know."

"But he's big enough?" I smiled, feeling my cheeks flush as I had a dirty thought.

"You can come back and have a look if you want." It was a barely-disguised offer of a threesome; an offer to share my new boyfriend's cock and an undisclosed offer to share my pussy. Faye groaned in an intensely sexual way and then looked extremely unsure. I'd set dirty thoughts running through her mind and she'd suddenly realised that they might come true. Sure, this was a girl who talked about having two men at once – but actually doing something with me and Jason was a scary proposition. Deep down, I knew Faye was a good girl and a threesome was definitely pushing her boundaries. "Come-on," I cajoled her. "It'll be fun." I saw Faye thinking about it, perhaps wanting to back out, but she didn't – if only to save face.

> "I grabbed my boyfriend's cock and pushed the lubricated tip against my best friend's bumhole"

"Hi gorgeous," I said to Jason, giving him a lingering smooch as we arrived at his place. I saw the surprise and disappointment when he saw that I wasn't alone. I knew just how to cheer him up. "Faye's come back to have a look at your cock." I saw the looks pass between them. Jason thought I was joking until he noticed Faye trying to hide – her head was lowered and she was blushing furiously. "Go on then," I said to Faye, taking a seat on the couch for the show. Faye walked over to where Jason was standing, trying desperately to look confident. I could see that her fingers were shaking as she slowly undid each button on his jeans. She'd seen a cock before, but never under the gaze of a watching girlfriend. "Get on your hands and knees," I instructed, as Jason's boxer shorts came on show. They were bulging and I felt a pang of jealous excitement, knowing that my boyfriend was hard not for me, but for my best friend.

"Show him your tits," I said, although it was me that wanted to see them. It was obvious

that Jason would have preferred Faye to get on with playing with his cock. Faye pulled her top off and released her bra. The profile of her breasts as she knelt before my boyfriend was fabulous. I'd had glimpses before, but never seen them exposed like that. I uncoiled my body and slipped in behind Faye, my lips against her ear, my hands wrapping around her stomach but wanting to move up. "Do you want to see his cock?" I whispered in her ear. She nodded and we both looked up at Jason who was smiling down at us, watching my hands squeezing Faye's breasts. Faye reached out and pulled my boyfriend's boxers down his legs.

As I said, I haven't measured Jason's cock, but it must be about six or seven inches long and pretty thick. It was enough to make Faye gasp. She wrapped her hand around the shaft and her head moved forward. By the time I had stripped down to my knickers, the head and shaft of Jason's cock was glistening with my best friend's saliva. I squashed in beside her and she instantly offered my boyfriend's cock to my mouth, giving me a delighted smile. It was as though she'd been keeping him warm for me. I took Jason's cock into my mouth and worked it. I slid forward, forcing it in a little further than normal, and they both let out a soft groan of appreciation.

Faye and I took turns on Jason's cock for a while but I found that watching my best friend sucking my boyfriend's cock was more exciting than taking part – it was just too good an opportunity to miss. I pulled my knickers to one side and quickly took myself to the point of orgasm with my fingers buzzing over and into my slippery crack. My orgasm exploded and my gasps and whimpers interrupted the two lovers. I saw Faye staring at my pussy and decided it was time to see hers.

"I think it's time you got naked," I said, and I could see that she was ready. Far from the embarrassed opening, Faye stood and performed a confident striptease, arching and stretching her lithe body in a mesmerising display. I had been going to let Jason fuck her, but there was no question that I wanted Faye all to myself for a little while at least. I pulled her onto the couch and I wrestled her into place – I wanted to taste her pussy. It was carefully trimmed where it wasn't shaved and the gap between her labia was filled with clear juices. Faye was in a state of extreme excitement, wet and desperate, waiting for me to touch her.

In the end I was forced against Faye's pussy as Jason thrust into me from behind. My open mouth filled with a sweet tang and my nostrils with feminine musk as Faye's fingers gripped my hair and her groin thrust up against me. I sucked on her soft, fleshy wetness and Faye's body immediately erupted like someone whipping one end of a loose carpet and sending waves along the length of the material. Her harsh uneven breaths were in perfect time with the undulations of her jerking body – I'd made my best friend orgasm. I sucked again, gently and felt her juices flood into my mouth. She was desperate and every single movement of my tongue made her tense and moan. My slippery lips moved lightly over hers as I kissed and sucked her entire pussy. Our eyes met and I saw the longing – she was ready for another orgasm.

"The fingers in her arse combined with my licking were enough take her over the edge"

As I licked her, I brought my finger up below my chin. I had been going to stick it in her pussy, but at the last moment I remembered the confession about sex with her ex and changed my target. I pressed it firmly into her anus. Faye writhed, her hips twisting away as my finger pushed. I followed the movement. "Ooooh fuck!" she gasped, as muscular pressure gripped the tip of my index finger and slid up to my knuckle. My whole finger was inside my best friend's bum. Faye hadn't been joking when she said she enjoyed having her bum fingered – her hips became a swirl of motion against my mouth as she fucked herself on that single digit. I wondered whether her ex had ever stuck her with more than one finger. I unfolded my middle finger and Faye cursed loudly as I forced it in beside the first finger. Her sticky juices were flowing over my chin and down over my breasts as she ground against me, searching for that extra stimulation to make her orgasm again. The fingers in her arse combined with my licking were enough to take her over the edge and I found myself trying to ride a bucking bronco as Faye came in a frenzy of shouts, screams and motion.

Jason was building towards a climax as he fucked my pussy but I knew what I wanted to happen and reluctantly pushed him away. "I want to see my boyfriend's cock in your arse," I said, looking up from between her legs.

"Hmmm, God – I'd love that," she groaned. I knew just how I wanted it to happen. It wasn't my cock but I wanted to be the one feeding it into her, knowing that in a way I'd be taking her anal virginity. I pushed Jason onto the couch and pulled Faye on top of him. I licked her exposed bumhole and then popped to the bedroom to grab the lube. It was delicious to work my fingers in and out of Faye's anus, feeling it getting more and more slippery and relaxed. There was a breathless excitement as I grabbed my boyfriend's cock and guided the lubricated tip against my best friend's bumhole. Flesh bulged with the pressure for a moment but it quickly slipped it.

"Oh God," Faye gasped, feeling Jason's cock penetrating. He pushed in and out slowly and I rubbed my clit as I watched from behind. It was a magnificent view as I watched my best friend and my boyfriend find a rhythm that worked. It was a thing of perfect beauty and I sat back and masturbated as I watched Faye riding Jason's cock. I pierced my own bum with a digit – the middle finger from my left hand as I worked my pussy with my right. It felt amazing and I brought myself to the edge of an orgasm and kept myself on that edge until the tremors of ecstasy took hold of both bodies writhing in front of me.

All three of us came together. It was wonderful – one of the best orgasms of my life. Would this be a regular thing? I wanted it to be, I wanted to play with Faye so badly it made my pussy ache. "You were right," Faye said seriously, rubbing her bum for emphasis. "Taking a cock back there is a bit different than someone sticking a finger in."

"Well, you're more than welcome to join us any time you want," I said, with Jason listening. "It gets easier and more enjoyable if you practice." Faye was keen to test that statement and we were both happy to help with her practice.

NATALIE ♣

E's are good...

Natalie, here, does not want to be confused with anyone called Natalia. Which is a shame, seeing as we've put a Natalia in this very same issue.

"I once got booked for a job and when I turned up it turned out I was the wrong girl. They wanted a 'Natalia'. You can imagine how good I felt."

Pretty awful. Then again, if we booked anyone in the world and you turned up, we'd be delighted.

"Now aren't you sweet?" drawls the Texan. "You can call me whatever you like..." ♣

NATALIE

What our well-placed moles are telling us this month...

Down The Wire

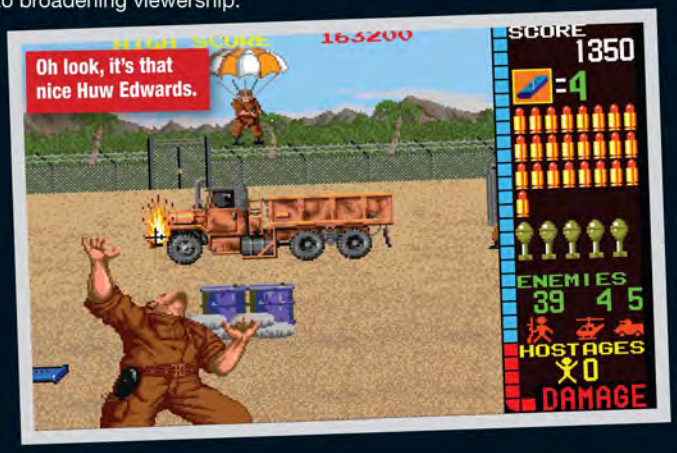
Poollocks

Texas State Troopers didn't need their canine friends to help them sniff this one out. 40-year-old Kenneth James Vanlue stands accused of breaking and entering the premises of the Department of Public Safety Driver License Office in Austin, Texas.

Troopers responded to a call out at around 7:30am on the 3rd of April, to find that the front door to the department office had been broken down and the word 'surcharge' had been drawn on the wall using faecal matter, as well as causing a further $9,000 worth of damage to vehicles in the parking lot and the destruction of computers and office equipment. At least we know what he will be decorating his cell with!

Copy That

Only a difference of seven hundred and twenty years and the need for a graphics card, but apart from that, same old, same old. Danish TV bosses faces were left glowing after a serious blunder during a news report on the Syrian civil war. The backdrop to presenter Cecilie Beck's TV2 piece was an image of Damascus taken from the video game *Assassin's Creed*. Don't worry, Denmark, you're not alone, the BBC recently mistakenly used a logo from *Halo* instead of the United Nations emblem and ITV's film on the IRA attacks used footage from the game *Arma2*. Definitely a unique approach to broadening viewership.



Way Anchor

Sail a 120-foot research vessel? No problem. A woman who cannot be named for legal reasons was detained in San Diego after the attempted theft of aforementioned research vessel while scientists were asleep on board.

The dock lines of the 'New Horizon' were seen being untied by a security guard at around 2am. The woman in question was suffering from mental distress and wished to return to North Carolina and has since been handed over to San Diego Mental Health department. Maybe use some toy boats for battleships in the bath next time.

Lace Lifter

Women in a New York building have a very valid reason for getting their knickers in a twist; that is if they have any left. Elizabeth Santana realised when collecting her washing that she was missing some essential items of clothing. Bewildered, Santana requested the security footage for the laundry room, which clearly showed a young white male pilfering her pantaloons.

Apparently Miss Santana is not alone and this panty pilferer has been on a bit of a spree in adjoining buildings. A police report has been filed but hold on to your knickers, ladies, as this lingerie lifter is still at large. ♣
